Safe Recruitment

**adopted from the Safeguarding Policy (Created; July 2014 Reviewed; 13th July 2016 and 2nd May 2017)*

The school recognises the importance of following recruitment and selection procedures on the appointment of employees and volunteers which help to deter, reject or identify people who might abuse children, or are otherwise unsuited to work with them. Recruitment procedures are carried out in accordance with guidance given in 'Keeping Children Safe in Education (May 2016 version, implemented September 2016) (KCSIE)'

- To ensure safer recruitment, the procedures are designed to:
- Scrutinise applicants
- Verify identity
- Verify academic or vocational qualifications, as required by the job specification
- Verify applicant's right to work in the UK.
- Obtain professional and character references, as appropriate for the position
- Include, for the intended successful candidate, a phone call or face to face conversation with the first referee
- Check previous employment history, including for any unexplained gaps
- Ensure that a candidate has the health and physical capacity for the job, as described in the job specification
- Incorporate a face to face interview
- Include a Disclosure and Barring Services (DBS) check
- Include a separate barred list check, whenever this is required. This is an absolute requirement should the school accept a DBS check from another employer/organisation, and when the school uses the DBS update service.
- Include an overseas check equivalent to the DBS check for staff appointed directly from overseas, for each country they have lived or worked in since last working in the UK
- Include a prohibition order check (for those who undertake 'teaching work'*)
- Include an EEA prohibition order check for those appointed to do teaching work from countries in the EEA other than England.
- Include a prohibition from management check (for the Headteacher, those who are on the school's leadership team and for teaching heads of department)**
- Include, when required, a self-declaration in respect of the Childcare Disqualification Regulations (see notes below).
- Ensure that all required checks are completed before a person begins work. The only possible exception to this requirement is the DBS check. This is reliant on the following criteria being fulfilled:
 - The DBS application form must have been submitted
 - All other required checks must have been completed. This includes the Barred List check, which must, therefore, be obtained separately, rather than with the DBS. It is obtained through the Teachers Pensions Online website. The school is registered with this website to obtain a separate barred list check when required.
 - A risk assessment must be completed with the prime purpose of determine the extent to which supervision of the new member of staff is required.
 - There must be a supervision agreement, signed by both the new member of staff and the person(s) appointed as supervisor
 - There must be a timescale for review of the arrangements. Ideally this will be weekly and must not exceed 14 days.

- It is practical for a single document to be created which addressed the three points immediately above.

* 'Teaching work': a definition is provided in The Teachers' Disciplinary (England) Regulations 2012 and cited at paragraph 272 in the ISI Commentary on the Regulations. The school will judge each appointment on a case-by-case basis to determine whether the role includes 'teaching work'.

** Obtained through the DBS check. This check is not required for staff promoted internally to a position which qualifies for the check, since the school will have been notified in advance if any existing member of staff is prohibited from promotion to a position of management.

These procedures apply to all adults who may undertake a regulated activity (unsupervised) with the children in either a paid or voluntary capacity and any other staff where KCSIE, independent schools standards regulations (ISSRs), Early Years Foundation Stage requirements or National Minimum Standards for Boarding (NMS) require checks to be undertaken.

The school will use the Bellevue template letter to verify that child protection checks and procedures listed above have been successfully undertaken for all staff employed by another organisation and who work with the school's pupils either at the school or on another site. In addition to staff such as agency supply staff, contract caterers and cleaners, this applies, for example, to staff at a swimming pool or an outward bound activity centre and to visiting staff running activities or undertaking sports coaching, even where such staff are paid directly by the parents. In cases where the school obtains confirmation from another employer that all the required appointment checks have been undertaken, the school must still undertake its own identity check on or before the person's first day of work.

When the school has a contract with someone who is self-employed, he/she cannot make a DBS application directly and the normal route is for the school to undertake the DBS check and other appointment requirements. In some situations, the self-employed person may have a DBS check from his/her professional association.

It is the responsibility of those who work or volunteer at the school, or with the school's pupils at a different venue, to inform the Headteacher immediately if, during the time of their engagement with the school, their circumstances change in such a way that they become disqualified from working in childcare, prohibited from teaching or in any other way barred from working with children.

Childcare Disqualification Regulations Guidance, available separately, has been published by Bellevue in relation to these requirements, covering disqualification from working in childcare, including disqualification by association. The school will;

- a) use the current Bellevue template to obtain a self-declaration from staff for whom this is a requirement
- b) inform relevant staff and volunteers about the legislation, including that they may be disqualified by association, c) gather sufficient and accurate information about whether any member of staff in a relevant childcare setting is disqualified, including by association and;
- d) keep a record on the Single Central Register, including the date disqualification checks were completed. If a person is found to be disqualified, he or she will not be able to

continue working in a role covered by the regulations. If appropriate, the school will consider a transfer to other duties.

e) ask staff on an annual basis to reconfirm that they are not disqualified or disqualified by association, this will be done through the annual policy check form

The school will inform Ofsted (and copy to ISI) if satisfied that a person working in a relevant setting falls within one of the disqualification criteria. If appropriate, the school and/or Bellevue will assist in the application to Ofsted for a waiver of disqualification.
