

Monday

Lego Quest – (Rec, Years 1 & 2) Miss Trinidad

If you love Lego and challenges come and join Lego Quest club. Lego Questers, together we can solve the challenge! Children can either take on a challenge or choose simply to play with the Lego alongside their friends!

Paper Plate Craft Club - (Rec, 1 & 2) Mrs Brewer

In Paper Plate Craft Club you will be turning paper plates into adorable, creative and fun crafts. Using paint, collaging and many other techniques with materials like; feathers, tissue paper, googly eyes, cotton wool, pom-poms to name a few.

Art Club (3 & 4) – Mrs Folker

During Art clubs, the children are offered a range of activities with emphasis on drawing and painting. Work of famous artists and illustrators is often used as a starting point for activities and the children are encouraged to develop their own ways of working from the stimulus offered.

Bananagrams (4,5 & 6) – Mrs O'Hare

This is a fast paced word game for all ages. Each player has between 11 and 21 letter tiles (dependant on how many players in the game). The objective is to use up all of the tiles before anyone else. The thing is there are no 'turns' so everyone is trying to do this at the same time!! Interesting and great fun! If you love games and are interested in words then this might be a great new club for you.

Programming (Y5 & Y6) - Mr Atkinson

If you enjoy Scratch then this is the club for you! We will be exploring programming using scenes from Star Wars as well as looking at using the programming language 'Python'. This club will not only develop your programming skills but it is an excellent way to develop your problem solving skills.

Young Enterprise Club (Y5 & Y6) Miss Crangles

If you are full of budding business ideas then this club is for you! The ultimate aim is to work as a team to develop a product or service which can be sold at the Christmas Fayre. However, first you must make it through a 'Dragon's Den' style pitch, where you will explain your ideas to Mrs La Farge, asking her to invest in you. Be prepared to answer some tricky questions and make sure your finances are in order! Last year, the Young Enterprise club were thrilled to make a profit of over £130, which they donated to charity. I wonder if we can beat that target this year?!

Tuesday

Junk Modelling (Rec. 1 & 2) - Mrs Applegate & Miss Ives

Do you like to make things? Bring all your old boxes, egg cartons and tubes and see what you can make. We have made rockets, animal homes, monsters, car garages and enjoyed lots of cutting, sticking and decorating!

Colouring Club (1 & 2) - Mrs Brewer

A calming colouring club to help children relax after a busy day! There will be lots of pictures to choose from and various materials to colour with.

Trumpet Club – Mr Wallace

Years 3-6. If you are having regular trumpet lessons and have been learning for at least 1 term, come along to trumpet club for some ensemble playing, technique and performance advice!

Lego Coding (Y3 & Y4) - Mr Atkinson (programming with Lego)

If you like Lego and you love coding you will love this club. We will be using Lego's new product, "WeDo", to build devices that include, motors, motion sensors, cogs, and tilt sensors. We will then write the programmes to make our devices move!

Maths Club: Puzzles and Games (Y3 & Y4) – Mrs Rowe

A fun based session working with puzzles and games to develop problem solving and logical thinking skills in an enjoyable and challenging way. The club will also help to develop numerical processing skills and encourage the application of mathematical knowledge.

Introduction to Spanish (Y5 & Y6) - Mrs Gauntlett

If you enjoy languages, Spanish is one of the most fun ones to learn! You'll be introduced to some basic phrases, with useful vocabulary to use on holiday and to impress your friends and family with. We'll use songs and games to aid our learning and most of all, have lots of fun!

Y5 Art Club - Miss Lawrance

During Art clubs, the children are offered a range of activities with emphasis on drawing and painting. Work of famous artists and illustrators is often used as a starting point for activities and the children are encouraged to develop their own ways of working from the stimulus offered.

Wednesday

Gymnastics (Rec) – Mrs Booth 3.45 - 4.25pm

Gymnastics (Y1 & Y2) – Mrs Booth 4.30 - 5.15pm

Gymnastics is a fun and dynamic club where we all work together to learn new core skills and special tricks! Whether you currently go to gymnastics outside of school or you have never tried it before you will love coming along each week! You can earn badges and certificates by taking part and putting your new skills to good use. We learn to balance on a beam, cartwheel on the spongy floor and also handstands on the box! Very often we work with a partner for support and you will be amazed at what you will be able to achieve!

First Aid Club (Y3 & Y4) - Mrs Fuller

Come and find out about First Aid with your friends. Learn how to call an ambulance and what you will find in a First Aid kit. Find out how to put someone in the recovery position, how to bandage and use a sling, and many other first aid skills. You will practice on each other which is really good fun. You can learn important life saving skills! Please be aware the programme is repeated half termly.

Zen Colouring Club (Y2, Y3 & Y4)

Zen colouring is a great way to relax after a busy day at school! Children will get the chance to listen to calm music whilst colouring a selection of very detailed pictures, including botanical pictures and Zen animal pictures. The club is also great to enhance children's fine motor skills and hand eye coordination. So come along and enjoy a relaxing new approach to colouring!

Book Club (R, Y1, Y2 & Y3)

This club will meet in the new school library. Children will be able to read stories, research a topic that interests them or keep up to date by reading 'First News'. There will also be an opportunity to listen to stories and do related activities.

Chess Clubs (Y4, Y5 & Y6) – Mr Sonley

Come along to Chess club and have some fun playing against your friends! We learn strategies and play many tournaments- you will become an expert in playing chess!

Junior Choir (Y2, Y3 & Y4) – Ms Wilkes

Unwind on a Wednesday singing along to a wide variety of musical genres including traditional songs, pop music and musical theatre. Our repertoire will appeal to all and we will showcase our results in front of both internal and external audiences.

Art Tech Club (Y3 & Y4) - Mrs Osman-Allu 4.30 - 5.15pm

Art Tech Club (Y5 & Y6) - Mrs Osman-Allu 3.45 - 4.25pm

Working in mixed media, the children will be exploring themes of nature and the seasons.

Thursday

Aunty Mabel's Club (Rec, Y1 & Y2) - Mrs S Kemp

Come and watch Auntie Mabel and Pippin. Find out about how things are made and work, then join in some fun science colouring activities.

Art (Reception, Y1 & Y2) - Miss Lawrance

During Art clubs, the children are offered a range of activities with emphasis on drawing and painting. Work of famous artists and illustrators is often used as a starting point for activities and the children are encouraged to develop their own ways of working from the stimulus offered.

Eco and School Garden Club (Y3 & Y4) - Mr Bridges (Y3 & Y4 with Yr 6 support)

We will be checking the eco credentials of the school - perhaps inspecting classrooms for recycling and trying to reduce waste generally. We shall also make suggestions for the various school gardens and where possible do some planting and also some watering ourselves. When around the school, younger children will be supported by the Year 6s.

Choir (Y4, Y5 & Y6) – Mrs Izard

Senior Choir takes place throughout the year - we're always practising for performances so it's important that the children commit to the year. We learn lots of fun rounds and two part songs and during the second half of the autumn term prepare for the Christmas concert in the church. In the spring we take part in the Young Voices Concert at the O2, and sing at the Summer Concert and at the Summer Fun Day.

Book Club (Y4, Y5 & Y6) - Mrs Gunther

Book Worms, if you enjoy reading, then this club is for you. We will be looking at short stories as well as longer texts and discussing our likes, dislikes, predictions and hopes for characters as well as learning about the authors. A relaxing club, whether you like curling up with a good book or would just like to improve your reading skills.

Eco and School Garden Club Y6 HELPERS - Mr Bridges (Y6 Supporting Y3 & Y4)

We will be checking the eco credentials of the school - perhaps inspecting classrooms for recycling and trying to reduce waste generally. We shall also make suggestions for the various school gardens and where possible do some planting and also some watering ourselves. When around the school, younger children will be supported by the Year 6s.

Friday

ICT club - (Rec, Y1 & Y2) Mrs Ross

We will be using coding websites to learn how to become computer-programmers! These sites will be useful for developing: use of the mousepad; following instructions - whether from a video - or in writing; the understanding of how computer games are made. There are plenty of Year 6 helpers in this club and they really enjoy working with the younger children to help them through the different stages of coding.

Stop-Motion Animation club - (Y3) Mrs Orbell

Learn how to bring Lego and toy characters to life by using the Lego Movie Maker app on the iPad's. Create your very own stop-motion animation and then turn it into a mini movie including credits and music.

Junior Dance Club (Y1 & Y2) - Miss Brown

In this club the children will focus on varied warm ups and gradually work to build these up into sequences. By playing several dance games aimed at getting the children used to the different dance styles. The children have the chance to create their own dances with their friends.

Sewing Club (Y1 & Y2) - Mrs La Farge

Do you love to sew or have always wanted to be able to make some of your own accessories? Then come to sewing club! We all have a natter while creating some incredible creations. You will learn how to carefully thread a needle, make your own simple stitches and tie a knot.

Art Club Y6 – Mrs Mock

During Art clubs, the children are offered a range of activities with emphasis on drawing and painting. Work of famous artists and illustrators is often used as a starting point for activities and the children are encouraged to develop their own ways of working from the stimulus offered.

Dance Street/Modern (Y3 & Y4) – Miss Brown

Do you love to dance? Have you always wanted to start dancing? This is the club for you! In Modern Dancing, we explore a range of dance techniques including street dance and contemporary dance. You will have the chance to work with your friends to put together your own dances and then perform them to the group at the end of the term! Using different varieties of music to dance to while honing our skills so, if you have a special song that you like, I am sure we could find some steps to go with it!

Beginners Recorder (Y2 - Y6) - Mrs Izard 8:00am

Beginners recorder club will meet on a Friday morning before school. We will be learning the descant recorder, this is a wonderful way to learn to read music. Pupils will need to provide their own descant recorder.

Intermediate Recorder - Mrs Izard 8:30am

Intermediate recorders meet on a Friday morning before school. We play a variety of music for descant, treble and tenor recorder, so if you can already play the recorder and/or can read music, come along!

Warhammer Club (Y4, Y5 & Y6) – Mrs Poor

If you are a keen player, collector or follower of Warhammer, come along and share your skills and enthusiasm with others in the group. Some of the club didn't own their own pieces when they joined but have since collected a small army! You can spend the time painting figures, looking at the new pieces or swapping orcs. At least I think that's what they are...

Chess Club – Mr Sonley

Come along to Chess club and have some fun playing against your friends! We learn strategies and play many tournaments- you will become an expert in playing chess!

Media Club (Y5 & Y6) - Mr Grosse

In Media Club, we will find weekly news from school to share with the world! Put your photographic, detective and interview skills to the test to search out those stories that don't make the newsletter...
