

Monday

Paper Plate Craft Club - (Rec, 1 & 2) Mrs Brewer

In Paper Plate Craft Club you will be turning paper plates into adorable, creative and fun crafts. Using paint, collaging and many other techniques with materials like; feathers, tissue paper, googly eyes, cotton wool, pom-poms to name a few.

Sports Club (Rec & Y1) – Mrs Grosse

Sports Club will use ideas from a range of sports to challenge the children and develop their coordination and team skills through play.

Junior Book Club - (Rec, 1, 2 & 3) Mrs O'Hare

Junior book club will be an opportunity to further explore the library and enjoy some relaxing reading time. You can read for yourself, read to a friend or enjoy a story from Mrs O'Hare.

Art Club (3 & 4) [15:45 - 16:45] – Mrs Folker

During Art clubs, the children are offered a range of activities with emphasis on drawing and painting. Work of famous artists and illustrators is often used as a starting point for activities and the children are encouraged to develop their own ways of working from the stimulus offered.

Drama Club (3, 4, 5 & 6) – Mrs Orbell

In Drama Club you can let your imaginations loose! You will experience the joy and power of drama by acting out many different scenarios and stories. Drama club is a fantastic opportunity to develop confidence, poise and expression.

Programming (Y5 & Y6) - Mr Atkinson

If you enjoy Scratch then this is the club for you! We will be exploring programming using scenes from Star Wars as well as looking at using the programming language 'Python'. This club will not only develop your programming skills but it is an excellent way to develop your problem solving skills.

Tuesday

Junk Modelling (Rec, 1 & 2) - Mrs Applegate & Miss Ives

Do you like to make things? Bring all your old boxes, egg cartons and tubes and see what you can make. We have made rockets, animal homes, monsters, car garages and enjoyed lots of cutting, sticking and decorating!

Lego Quest – (Rec, Years 1 & 2) Mrs Orbell

If you love Lego and challenges come and join Lego Quest club. Lego Questers, together we can solve the challenge! Children can either take on a challenge or choose simply to play with the Lego alongside their friends!

Colouring Club (1 & 2) - Mrs Brewer

A calming colouring club to help children relax after a busy day! There will be lots of pictures to choose from and various materials to colour with.

Maths Club: Puzzles and Games (Y3 & Y4) – Mrs Rowe

A fun based session working with puzzles and games to develop problem solving and logical thinking skills in an enjoyable and challenging way. The club will also help to develop numerical processing skills and encourage the application of mathematical knowledge.

Lego Coding (Y3 & Y4) - Mr Atkinson (programming with Lego)

If you like Lego and you love coding you will love this club. We will be using Lego's new product, "WeDo", to build devices that include, motors, motion sensors, cogs, and tilt sensors. We will then write the programmes to make our devices move!

Introduction to Latin (Y5 & Y6) - Mrs Gauntlett

If you enjoy languages, why not try your hand at learning Latin?!

You'll be introduced to some basic phrases to impress your friends and family with, while learning about the origins of English Language and having lots of fun.

Y5 Art Club [15:45 - 16:45] - Miss Lawrance

During Art clubs, the children are offered a range of activities with emphasis on drawing and painting. Work of famous artists and illustrators is often used as a starting point for activities and the children are encouraged to develop their own ways of working from the stimulus offered.

Wednesday

Gymnastics (Rec, 1 & 2) - Miss Ingram

Gymnastics is a fun and dynamic club where we all work together to learn new core skills and special tricks! Whether you currently go to gymnastics outside of school or you have never tried it before you will love coming along each week! Very often we work with a partner for support and you will be amazed at what you will be able to achieve!

Construction Club - (Rec & 1) Mr Roberts

If you like building games then come along to Construction Club. We will use a number of building toys to create structures and models.

Introduction to Italian (2,3 & 4) - Mr Stewart

If you enjoy languages, why not try learning Italian!

You'll be introduced to some basic phrases which may come in handy when on holiday or just to impress your friends and family with.

First Aid Club (Y3 & Y4) - Mrs Fuller

Come and find out about First Aid with your friends. Learn how to call an ambulance and what you will find in a First Aid kit. Find out how to put someone in the recovery position, how to bandage and use a sling, and many other first aid skills. You will practice on each other which is really good fun. You can learn important life saving skills!

Chess Clubs (Y4, Y5 & Y6) – Mr Sonley

Intermediate 15:45 - 16:30,

Squad 16:30 - 17:15

Come along to Chess club and have some fun playing against your friends! We learn strategies and play many tournaments- you will become an expert in playing chess!

Junior Choir (Y2, Y3 & Y4) – Ms Wilkes

Unwind on a Wednesday singing along to a wide variety of musical genres including traditional songs, pop music and musical theatre. Our repertoire will appeal to all and we will showcase our results in front of both internal and external audiences.

Art Tech Club (Y3 & Y4) - Mrs Osman-Allu [16.30 - 17.10]

Working in mixed media, the children will be exploring themes of nature and the seasons.

Art Tech Club (Y5 & Y6) - Mrs Osman-Allu [15.45 - 16.25]

Working in mixed media, the children will be exploring themes of nature and the seasons.

Thursday

Aunty Mabel's Club (Rec, Y1 & Y2) - Mrs S Kemp

Come and watch Auntie Mabel and Pippin. Find out about how things are made and work, then join in some fun science colouring activities.

Art (Reception, Y1 & Y2) - Miss Lawrance

During Art clubs, the children are offered a range of activities with emphasis on drawing and painting. Work of famous artists and illustrators is often used as a starting point for activities and the children are encouraged to develop their own ways of working from the stimulus offered.

Eco and School Garden Club (Y3 & Y4) - Mr Bridges (Y3 & Y4 with Yr 6 support)

We will be checking the eco credentials of the school - perhaps inspecting classrooms for recycling and trying to reduce waste generally. We shall also make suggestions for the various school gardens and where possible do some planting and also some watering ourselves. When around the school, younger children will be supported by the Year 6s.

Gymnastics (Y3 & Y4) – Mrs Shaw

Gymnastics is a fun and dynamic club where we all work together to learn new core skills and special tricks! Whether you currently go to gymnastics outside of school or you have never tried it before you will love coming along each week! Very often we work with a partner for support and you will be amazed at what you will be able to achieve!

Choir (Y4, Y5 & Y6) – Mrs Izard

Senior Choir takes place throughout the year - we're always practising for performances so it's important that the children commit to the year. We learn lots of fun rounds and two part songs and during the second half of the autumn term prepare for the Christmas concert in the church. In the spring we take part in the Young Voices Concert at the O2, and sing at the Summer Concert and at the Summer Fun Day. ***Sign up to this club only happens once per year, you do not need to sign up again for the Spring Term.***

Book Club (Y4, Y5 & Y6) - Mrs Gunther

Book Worms, if you enjoy reading, then this club is for you. We will be looking at short stories as well as longer texts and discussing our likes, dislikes, predictions and hopes for characters as well as learning about the authors. A relaxing club, whether you like curling up with a good book or would just like to improve your reading skills.

Website Building club (Y5 & Y6) - Mrs La Farge

An opportunity to design and build a website about one of your favourite hobbies using Google sites. Come and see how professional your site can look!

Friday

ICT club - (Rec, Y1 & Y2) Mrs Ross

We will be using coding websites to learn how to become computer-programmers! These sites will be useful for developing: use of the mouse-pad; following instructions - whether from a video - or in writing; the understanding of how computer games are made. There are plenty of Year 6 helpers in this club and they really enjoy working with the younger children to help them through the different stages of coding.

Junior Dance Club (Y1 & Y2) - Miss Brown

In this club the children will focus on varied warm ups and gradually work to build these up into sequences. By playing several dance games aimed at getting the children used to the different dance styles. The children have the chance to create their own dances with their friends.

Forest School Club (Rec, Y1 & Y2) - Miss Ives

A wonderful chance to develop confidence and self-esteem through hands-on learning experiences in the school's outdoor environment.

Chess Club (Y2 & Y3) – Mr Sonley

Come along to Chess club and have some fun playing against your friends! We learn strategies and play many tournaments- you will become an expert in playing chess!

Dance Street/Modern (Y3 & Y4) [4:30 - 5:15] – Miss Brown

Do you love to dance? Have you always wanted to start dancing? This is the club for you! In Modern Dancing, we explore a range of dance techniques including street dance and contemporary dance. You will have the chance to work with your friends to put together your own dances and then perform them to the group at the end of the term! Using different varieties of music to dance to while honing our skills so, if you have a special song that you like, I am sure we could find some steps to go with it!

Creative Writing Club (Y3 & Y4) - Mr Grosse

An opportunity for children who are enthusiastic writers to meet to swap ideas and work on their creative writing techniques. This will be a fantastic way of nurturing imagination and developing their literacy skills.

Recorder Club (Y2 - Y6) - Mrs Izard 8:00am

Beginners recorder club will meet on a Friday morning before school. We will be learning the descant recorder, this is a wonderful way to learn to read music. Pupils will need to provide their own descant recorder.

Warhammer Club (Y4, Y5 & Y6) – Mr Wallace

Warhammer club has taken a focus on game play which has lead us to develop and build our own strategy game board. Next term, we plan to build a new, bigger and better board! Each week, you have the option to build and paint your Warhammer figures or just come along and enjoy some gameplay. You do not need to own any Warhammer equipment to join and play.

Science Club - Miss Crangles

Science club will provide the chance for pupils to explore and investigate science outside of the curriculum. This will be a fun environment where children will be able to develop their understanding of how the world works and nurture their curiosity.

Art Club Y6 – Mrs Mock

During Art clubs, the children are offered a range of activities with emphasis on drawing and painting. Work of famous artists and illustrators is often used as a starting point for activities and the children are encouraged to develop their own ways of working from the stimulus offered.
