— GREAT MISSENDEN —

1:1 Learning Support Assistant

(to start as soon as possible)

Gateway School is looking to recruit a part-time experienced Learning Support Assistant, for afternoons only, to support a child in Reception. The purpose of this role is to assist specifically in supporting a child with SEND in the classroom. The ideal candidate will have recent experience of working within a primary school setting and experience of working with pupils with SEND.

The successful applicant will work with this pupil in a 1:1 or small group setting, offering classroom, individual, behavioural and administrative support as well as supporting their teacher in creating a positive and inspiring learning environment. It is integral that the candidate can empathise with pupils who experience difficulty with school life and is able to build a trusting relationship with them. In addition to having a genuine passion for working with young children, the successful candidate needs to be flexible, adaptable and hard working. They need to be well organised and have the ability to work independently and as part of a team.
