Introduction

At Gateway we must provide a curriculum that is broadly based on the needs of all pupils. Under section 78 of the Education Act 2002 and the Academies Act 2010, a PSHE curriculum:

- Promotes the spiritual, moral, cultural, mental and physical development of pupils at the school and of society, and
- Prepares pupils at the school for the opportunities, responsibilities and experiences of later life.

An amendment to the Children and Social Work Act 2017 made **Relationships and Health Education** at primary; and Relationships, Sex, and Health Education at secondary, statutory subjects. The DfE guidance on Relationships, Health and Sex Education for governing bodies can be seen [here](#). **This will become active from September 2020.**

At Gateway we use the Jigsaw Programme. We are confident that the Jigsaw Programme covers all aspects of Relationships, Sex and Health Education (RSHE) within the context of a full PSHE programme in an age-appropriate way. Should changes to these curriculum areas occur in the future, Jigsaw has agreed to provide us with materials to ensure all statutory duties are fulfilled.

This policy is also informed by DfE guidance on Relationships, Sex and Health Education (as above), [Preventing and tackling bullying](#) (Preventing and tackling bullying: Advice for head teachers, staff and governing bodies, July 2013, updated 2017), [Drug and Alcohol Education](#) (DfE and ACPO drug advice for schools: Advice for local authorities, headteachers, school staff and governing bodies, September 2012), [Safeguarding](#) (Working Together to Safeguard Children: A guide to inter-agency working to safeguard and promote the welfare of children, 2019 and [Keeping Children Safe in Education, 2021](#)) and [Equality](#) (Equality Act 2010: Advice for school leaders, school staff, governing bodies and local authorities, revised June 2018).

The Jigsaw Programme meets all the outcomes in the PSHE Association Programmes of Study, 2017.

Aim of the PSHE policy

To provide pupils with the knowledge, understanding, attitudes, values and skills they need in order to reach their potential as individuals and within the community.

Pupils are encouraged to take part in a wide range of activities and experiences across and beyond the curriculum, contributing fully to the life of their school and communities. In doing so they learn to recognise their own worth, work well with others and become increasingly responsible for their own learning. They reflect on their experiences and understand how they are developing personally and socially, tackling many of the spiritual, moral, social and cultural issues that are part of growing up.

They learn to understand and respect our common humanity; diversity and differences so that they can go on to form the effective, fulfilling relationships that are an essential part of life and learning.

At Gateway we choose to deliver Personal, Social, Health Education using Jigsaw, the mindful approach to PSHE.

Objectives/Pupil learning intentions:

Jigsaw PSHE will support the development of the skills, attitudes, values and behaviour, which enable pupils to:

- Have a sense of purpose
- Value self and others

- Form relationships
- Make and act on informed decisions
- Communicate effectively
- Work with others
- Respond to challenge
- Be an active partner in their own learning
- Be active citizens within the local community
- Explore issues related to living in a democratic society
- Become healthy and fulfilled individuals

Jigsaw Content

Jigsaw covers all areas of PSHE for the primary phase, as the table below shows:

Term	Puzzle name	Content
Autumn 1:	Being Me in My World	Includes understanding my place in the class, school and global community as well as devising Learning Charters
Autumn 2:	Celebrating Difference	Includes anti-bullying (cyber and homophobic bullying included) and diversity work
Spring 1:	Dreams and Goals	Includes goal-setting, aspirations and resilience building
Spring 2:	Healthy Me	Includes drugs and alcohol education, self-esteem and confidence as well as healthy lifestyle choices (on and off line)
Summer 1:	Relationships	Includes understanding friendship, family and other relationships, conflict resolution and communication skills
Summer 2:	Changing Me	Includes Sex and Relationship Education in the context of looking at and managing change

Relationships, Sex and Health Education- RSHE

RSHE plays a very important part in fulfilling the statutory duties all schools have to meet. RSHE helps children understand the difference between safe and abusive relationships and equips them with the skills to get help if they need it. It also teaches them about the importance of a healthy lifestyle and positive mental health, about online and offline safety. Teachers and staff at Gateway have responsibilities for safeguarding and a legal duty to promote pupil well-being (Education and Inspections Act 2006 Section 38).

Updated government safeguarding guidance is now available ([Keeping Children Safe in Education, 2021](#)) and includes a section about being alert to signs that young girls may be at risk of female genital mutilation (FGM). School summer holidays especially during the transition from primary to secondary schools is thought to be a key risk time for FGM. See also the government [Multi-agency practice guidelines: Female Genital Mutilation \(2016\)](#) which includes a section for schools.

RSHE has clear links with other school policies aimed at promoting pupils' spiritual, moral, social and cultural development, including the:

- Anti-Bullying Policy
- Behaviour Policy
- Confidentiality Policy
- Drug and Alcohol Education Policy
- Equal Opportunities Policy
- Health and Safety Policy
- ICT Policy and Safe Internet Use Policy
- Inclusion Policy
- RE Policy
- Safeguarding/Child Protection Policy
- SMSC Policy
- Special Educational Needs Policy

The role of the Headteacher

It is the responsibility of the Headteacher, Pastoral/ PSHE lead and Safeguarding team to ensure that as well as fulfilling their legal obligations, the need to make sure that:

- all pupils make progress in achieving the expected educational outcomes in regard to RSHE;
- RSHE is well led, effectively managed and well planned;
- the quality of RSHE provision is subject to regular and effective self-evaluation;
- teaching is delivered in ways that are accessible to all pupils with SEND;
- clear information is provided for parents on the subject content and the right to request that their child is withdrawn; and,
- the subjects are resourced, staffed and timetabled in a way that ensures that the school can fulfil its legal obligations

The headteacher liaises with external agencies regarding the school RSHE programme and ensures that all adults who work with children on these issues are aware of the school policy, and that they work within this framework. Parents should be consulted on the RSHE policy and have the opportunity to express their views. They also must be informed of the limits of their right to withdraw their child from sex education and have the opportunity to do so within these limits.

Equalities

The Equality Act 2010 covers the way the curriculum is delivered, as schools and other education providers must ensure that issues are taught in a way that does not subject pupils to discrimination. Gateway has a duty under the Equality Act to ensure that teaching is accessible to all children and young people, including those who are lesbian, gay, bisexual and transgender (LGBT). Inclusive RSHE will foster good relations between pupils, tackle all types of prejudice – including homophobia – and promote understanding and respect. The Department for Education has produced advice on The Equality Act 2010 and schools (DfE, 2014b).

We have a legal duty to promote equality (Equality Act, 2010) and to combat bullying (Education Act, 2006) (which includes homophobic, sexist, sexual and transphobic bullying) and Section 4.2 of the national curriculum (2014) states “Teachers should take account of their duties under equal

opportunities legislation that covers race, disability, sex, religion or belief, sexual orientation, pregnancy and maternity, and gender reassignment.”

“Schools should be alive to issues such as everyday sexism, misogyny, homophobia and gender stereotypes and take positive action to build a culture where these are not tolerated, and any occurrences are identified and tackled. Staff have an important role to play in modelling positive behaviours. School pastoral and behaviour policies should support all pupils.” (DfE, 2019)

British Values

At Gateway School we value the diversity of backgrounds of all pupils, families and the wider school community and are committed to the academic, personal, social, moral and emotional development of all our pupils. Our school is a safe, caring, stimulating learning environment where the effort and achievement of every single child is celebrated and valued. In working closely with pupils, parents and the wider community our team encourages children to develop into confident and compassionate young people with a strong sense of belonging. All pupils experience a relevant, vibrant and broad curriculum that supports and challenges them to reach their full potential. We aim to nurture motivated learners who have the self-belief and independence to achieve excellence and succeed.

At Gateway School we aim to promote and reflect British Values in all that we do. We pride ourselves on a whole school approach to promoting the spiritual, moral, cultural and social development of our pupils.

Our Jigsaw Curriculum puts SMSC and Fundamental British Values at the heart of everything our pupils do and learn.

Jigsaw RSHE Content

The grid below shows specific RSHE content for each year group:

<i>Age</i>	
<i>4-5</i>	Family life; making friends; falling out and making up; being a good friend; dealing with bullying; growing up -how have I changed from baby to now; bodies (NOT including names of sexual parts); respecting my body and looking after it e.g. personal hygiene.
<i>5-6</i>	Recognising bullying and how to deal with it; celebrating differences between people; making new friends; belonging to a family; being a good friend; physical contact preferences; people who help us; qualities as a friend and person; celebrating people who are special to me; life cycles – animal and human; changes in me; changes since being a baby; differences between female and male bodies (correct terminology: penis, vagina, testicles, vulva); respecting my body and understand which parts are private.
<i>6-7</i>	Assumptions and stereotypes about gender; understanding bullying; standing up for self and others; making new friends; gender diversity; celebrating difference and remaining friends; learning with others; group co-operation; different types of family; physical contact boundaries; friendship and conflict; secrets (including those that might worry us); trust and appreciation; expressing appreciation for special relationships; life cycles in nature; growing from young to old; increasing independence; differences in female and male bodies (correct terminology); assertiveness; appreciate that some parts of my body are private.

7-8	<p>Seeing things from others' perspectives; Families and their differences; family conflict and how to manage it (child-centred); witnessing bullying and how to solve it; homophobic bullying; recognising how words can be hurtful; giving and receiving compliments; respect for myself and others; healthy and safe choices; family roles and responsibilities; friendship and negotiation; keeping safe online and who to go to for help; being aware of how my choices affect</p> <p>Others; awareness of how other children have different lives; expressing appreciation for family and friends; how babies grow; understanding a baby's needs; outside body changes at puberty; inside body changes at puberty; family stereotypes.</p>
8-9	<p>Challenging assumptions; judging by appearance; accepting self and others; understanding influences; understanding bullying including the role of the bystander; problem-solving in relationships; identifying how special and unique everyone is; first impressions; working in a group; celebrating contributions of others; healthier friendships; group dynamics; assertiveness; peer pressure; celebrating inner strength; jealousy; love and loss; memories of loved ones; getting on and falling out; girlfriends and boyfriends; showing appreciation to people and animals; being unique; having a baby (simple explanation of conception); girls and puberty; boys and puberty; confidence in change; accepting change.</p>
9-10	<p>Cultural differences and how they can cause conflict; racism; rumours and name-calling; types of bullying; enjoying and respecting other cultures; body image; self-recognition and self-worth; building self-esteem; safer online communities; rights and responsibilities online; online gaming and gambling; reducing screen time; dangers of online grooming; SMARRT internet safety rules; Self and body image; influence of online and media on body image; puberty for girls; puberty for boys; conception (including IVF); growing responsibility; coping with change.</p>
10-11	<p>Children's universal rights; feeling welcome and valued; choices, consequences and rewards; group dynamics; democracy, having a voice; anti-social behaviour; role-modelling; perceptions of normality; understanding disability; understanding what transgender means; power struggles; understanding bullying; inclusion/exclusion; difference as conflict; difference as celebration; empathy; exploitation, including 'county-lines' and gang culture; love and loss; managing feelings; power and control; assertiveness; technology safety; responsibility with technology</p> <p>use; self-image, body image; puberty and feelings; conception to birth; reflections about change; physical attraction; respect and consent; boyfriends/girlfriends; sexting.</p>

Withdrawal from RSHE lessons

Parents/carers have the right to withdraw their children from Sex Education provided at school, except for those parts included in statutory National Curriculum Science and that included within Statutory Relationships and Health Education. Those parents/carers wishing to exercise this right are invited in to see the headteacher and/or Pastoral Lead in school who will explore any concerns and discuss any impact that withdrawal may have on the child. Once a child has been withdrawn they cannot take part in the **specific sex education lessons** until the request for withdrawal has been removed. Materials are available to parents/carers who wish to supplement the school sex education programme or who wish to deliver sex education to their children at home.

Working with parents and carers

Parents/carers should be aware that schools are legally required to provide a broad and balanced curriculum. Sex and relationships topics can arise incidentally in other subjects, such as Science, Geography, History, RE, and it is not possible to withdraw pupils from these relatively limited and often unplanned discussions. Parents should be given every opportunity to understand the purpose and content of Relationships Education and RSHE.

Girl's understanding of sanitary products and disposal in school

As part of lessons on puberty girls will be made aware of the procedures in place for accessing and the safe disposal of sanitary products.

Health Education including substance education, mental health education and safety education

Effective Health Education can make a significant contribution to the development of the personal skills needed by pupils as they grow up. It also enables young people to make responsible and informed decisions about their own and others' health and well-being.

Moral and Values Framework

The Health Education programme at our school reflects the school ethos and demonstrates and encourages the following values. For example:

- Respect for self
- Respect for others
- Responsibility for their own actions
- Responsibility for their family, friends, schools and wider community

Jigsaw's Health Education Content

The grid below shows specific Health Education content for each year group:

Age	
4-5	Understanding feelings; Identifying talents; being special; challenges; perseverance; goal-setting; overcoming obstacles; seeking help; physical activity; healthy food; sleep; keeping clean; being safe; respecting my body; growing up; growth and change; fun and fears; celebrations.
5-6	Feeling special and safe; rewards and feeling proud; consequences; setting goals; identifying successes and achievements; tackling new challenges; identifying and overcoming obstacles; feelings of success; keeping myself healthy; healthier lifestyle choices (including oral health); keeping clean; being safe; medicine safety/safety with household items; road safety; linking health and happiness; people who help us; changes in me; changes since being a baby; linking growing and learning; coping with change.
6-7	Hopes and fears for the year; recognising feelings; achieving realistic goals; perseverance; motivation; healthier choices; relaxation; healthy eating and nutrition; healthier snacks and sharing food; growing from young to old.
7-8	Self-identity and worth; positivity in challenges; responsible choices; giving and receiving compliments; difficult challenges and achieving

	Success; dreams and ambitions; new challenges; motivation and enthusiasm; recognising and trying to overcome obstacles; evaluating learning processes; managing feelings; simple budgeting; exercise; fitness challenges; food labelling and healthy swaps; attitudes towards drugs; keeping safe and why it's important online and offline; respect for myself and others healthy and safe choices; body changes at puberty.
8-9	What motivates behaviour; rewards and consequences; accepting self and others; understanding influences; hopes and dreams; overcoming disappointment; creating new, realistic dreams; achieving goals; resilience; positive attitudes; healthier friendships; group dynamics; smoking; alcohol; assertiveness; peer pressure; celebrating inner strength; jealousy; love and loss; memories of loved ones; body changes at puberty.
9-10	Being a citizen; rights and responsibilities; rewards and consequences; how behaviour affects groups; democracy, having a voice, participating; material wealth and happiness; future dreams; the importance of money; jobs and careers; dream job and how to get there; goals in different cultures; supporting others (charity); motivation; smoking, including vaping; alcohol; alcohol and anti-social behaviour; emergency aid; body image; relationships with food; healthy and safe choices; motivation and behaviour; changes in the body at puberty.
10-11	Choices, consequences and rewards; group dynamics; democracy, having a voice; emotions in success; making a difference in the world; motivation; recognising achievements; compliments; taking personal responsibility; how substances affect the body; exploitation, including 'county lines' and gang culture; emotional and mental health; managing stress; mental health; identifying mental health worries and sources of support; love and loss; managing feelings; power and control; assertiveness; technology safety; take responsibility with technology use; self-image; body image; impact of media; discernment; puberty; reflections about change; respect and consent.

How is Jigsaw PSHE organised in school?

Jigsaw brings together PSHE Education, emotional literacy, social skills and spiritual development in a comprehensive scheme of learning. Teaching strategies are varied and are mindful of preferred learning styles and the need for differentiation. Jigsaw is designed as a whole school approach, with all year groups working on the same theme (Puzzle) at the same time.

There are six Puzzles in Jigsaw that are designed to progress in sequence from Autumn to June/July. Each Puzzle has six Pieces (lessons) which work towards an 'end product', for example, The School Learning Charter or The Garden of Dreams and Goals.

Each Piece (lesson) has two Learning Intentions: one is based on specific PSHE learning (covering the non-statutory national framework for PSHE Education and the statutory Relationships and Health Education guidance, but enhanced to address children's needs today); and one is based on emotional literacy and social skills development to enhance children's emotional and mental health. The enhancements mean that Jigsaw, the mindful approach to PSHE, is relevant to children living in today's world as it helps them understand and be equipped to cope with issues like body image, cyber and homophobic bullying, and internet safety.

Every Piece (lesson) contributes to at least one of these aspects of children's development. This is mapped on each Piece and balanced across each year group.

EYFS

In the Early Years Foundation Stage, the Relationships Education, Relationships and Sex Education and Health Education (England) Regulations 2019 and the accompanying statutory guidance do not apply; however Personal Social and Emotional Development (PSED) is one of the prime areas within the EYFS curriculum and age-appropriate provision is made accordingly.

Differentiation/SEN

Jigsaw is written as a universal core curriculum provision for all children. Inclusivity is part of its philosophy. Teachers will need, as always, to tailor each Piece (lesson) to meet the needs of the children in their classes. To support this differentiation, many Jigsaw Pieces (lessons) suggest creative learning activities that allow children to choose the media with which they work and give them scope to work to their full potential.

Safeguarding

Teachers at Gateway are aware that sometimes disclosures may be made during Jigsaw lessons; in which case, safeguarding procedures will be followed immediately. Sometimes it is clear that certain children may need time to talk one-to-one after the lesson closes. If disclosures occur, the school's Safeguarding disclosure and/or confidentiality policy is followed.

Assessment

Teachers will be eager to ensure children are making progress with their learning throughout their Jigsaw experience. Therefore, each Puzzle (unit of work) has a built-in assessment task, usually in Lesson (Piece) 6. This task is the formal opportunity for teacher assessment, but also offers children the chance to assess their own learning and have a conversation with the teacher about their two opinions. In addition, as part of the Help me Reflect section of every Jigsaw lesson, children can complete a self/peer assessment using the My Jigsaw Journey/Learning resource that accompanies each lesson. All assessed work can be collated as part of the children's Jigsaw Journals.

Each Puzzle (unit of work) has a set of three level descriptors for each year group:

Working towards

Working at

Working beyond

Recording

At Gateway we use 'Jigsaw Journals' to record the children's work. These Journals are passed on to the child's next teacher at the end of each academic year. This allows the child's new teacher to have a better insight to each individual's personal, social and emotional journey.

The Attainment Descriptors

Please be aware that these attainment descriptors are specific to Jigsaw and to year groups. They are designed to give guidance when considering each child's learning journey. They are **not** nationally-recognised. There are no national level descriptors for PSHE.

The Jigsaw philosophy is that children are praised and their achievements celebrated in every Piece (lesson). It demands a positive relationship between the teacher and the children which, in itself, values and celebrates each individual. Appropriate time is allocated for this process.

Monitoring and evaluation

The overall responsibility for this policy is that of the Head of Pastoral. The schemes of work and lessons are monitored regularly by the SMT and peer observations within and through key stages.

© Copyright: Jigsaw PSHE Ltd.

As well as day to day observable attitudes in lessons and throughout other aspects of the school day to give us qualitative measures of pupils' attitudes to learning, we also use a standardised survey called PASS (Pupil Attitudes to Self and School) [annually/bi-annually] to gain a detailed picture of each child's attitudes from [Reception - Year 6] and their feelings about their learning and school experience.

Children also have mentoring sessions each term where they can discuss and evaluate their progress on an individual basis.

This enables:

- children to be active in their own learning, comfortable to make mistakes and discuss their concerns.
- parents to support their children's learning and pastoral support further at home

All children are discussed regularly on a rota basis at weekly staff meetings and spontaneous concerns are flagged. A full time school nurse is available for staff and children. There is a regular tracking programme which ensures that all children are monitored on an individual basis at least once half termly.

Children also have access to our school counsellor who is available on request to discuss concerns on a one to one basis. Teachers can refer children to counselling after having a discussion with the child's parents/ caregivers. Alternatively, parents/ caregivers can contact the counsellor directly.

The Learning Environment

Establishing a safe, open and positive learning environment based on trusting relationships between all members of the class, adults and children alike, is vital. To enable this, it is important that 'ground rules' are agreed and owned at the beginning of the year and are reinforced in every Piece (lesson) – by using The Jigsaw Charter. (Ideally, teachers and children will devise their own Jigsaw Charter at the beginning of the year so that they have ownership of it.) It needs to include the aspects below:

The Jigsaw Charter

- We take turns to speak
- We use kind and positive words
- We listen to each other
- We have the right to pass
- We only use names when giving compliments or when being positive
- We respect each other's privacy (confidentiality)

Teaching Sensitive and Controversial Issues

Sensitive and controversial issues are certain to arise in learning from real-life experience. Teachers will be prepared to handle personal issues arising from the work, to deal sensitively with, and to follow up appropriately, disclosures made in a group or individual setting. Issues that we address that are likely to be sensitive and controversial because they have a political, social or personal impact or deal with values and beliefs include: family lifestyles and values, physical and medical issues, financial issues, bullying and bereavement.

Teachers will take all reasonable, practical steps to ensure that, where political or controversial issues are brought to pupils' attention, they are offered a balanced presentation of opposing views. Teachers will adopt strategies that seek to avoid bias on their part and will teach pupils how to recognise bias and evaluate evidence. Teachers will seek to establish a classroom climate in which all pupils are free from any fear of expressing reasonable points of view that contradict those held either by their class teachers or their peers.

Answering Difficult Questions and Sensitive Issues

Staff members are aware that views around RSHE-related issues are varied. However, while personal views are respected, all RSHE issues are taught without bias using Jigsaw. Topics are presented using a variety of views and beliefs so that pupils are able to form their own, informed opinions but also respect that others have the right to a different opinion.

Both formal and informal RSHE arising from pupils' questions are answered according to the age and maturity of the pupil(s) concerned. Questions do not have to be answered directly, and can be addressed individually later. The school believes that individual teachers must use their skill and discretion in this area and refer to the Designated Safeguarding Lead/ Safeguarding team if they are concerned.

Our school believes that RSHE should meet the needs of all pupils, answer appropriate questions and offer support. In Jigsaw Pieces (lessons) that cover RSHE provision, this should be regardless of their developing sexuality and be able to deal honestly and sensitively with sexual orientation and gender diversity, answer appropriate questions and offer support. LGBT+ bullying is dealt with strongly yet sensitively. The school liaises with parents/carers on this issue to reassure them of the content and context.

Links to other policies and curriculum areas

We recognise the clear link between Jigsaw PSHE and the following policies and staff are aware of the need to refer to these policies when appropriate.

- Science curriculum
- Teaching and Learning Policy
- Equal Opportunities Policy
- Safeguarding Policy
- LFL Policy

Training and support for staff

All staff benefit from Jigsaw PSHE training in order to enhance their PSHE delivery skills. Opportunities are provided for staff to identify individual training needs on a yearly basis and relevant support is provided.

In addition to this, support for teaching and understanding PSHE issues is incorporated in our staff INSET programme, drawing on staff expertise and/or a range of external agencies.

Dissemination

This policy is available on our school website where it can be accessed by the community. Training is regularly delivered to staff on the policy content. Copies are available from the school office upon request from parents/carers.

Confidentiality and Child Protection/Safeguarding Issues

As a general rule a child's confidentiality is maintained by the teacher or member of staff concerned. If this person believes that the child is at risk or in danger, she/he talks to the named child protection co-ordinator who takes action as laid down in the Safeguarding Policy. All staff members are familiar with the policy and know the identity of the member of staff with responsibility for Safeguarding issues. The child concerned will be informed that confidentiality is being breached and reasons why. The child will be supported by the teacher throughout the process.
